My Perfect Children's Day

Hi! My name is Lucas. I am nine years old and I live in Curitiba, Brazil. On October 12th, we celebrate Children's Day. It is my favorite day of the year!

In the morning, I go to the park with my family. My sister, Bia, and I ride our bikes. Then we fly a big red kite. It is very windy, so the kite goes really high!

In the afternoon, my friends come to my house. We play a board game and eat popcorn and chocolate cake. My grandma gives me a new puzzle. I love it!

At night, I read a book with my dad. I am tired, but I am very happy. What a fun day!

Word help

windy = with a lot of wind
